2025-2026 School Year

Mandatory Fundraisers

St. Philip Lutheran Church's primary mission is to help the school provide a quality Christian education. The congregation supports this goal through a significant benevolence that reduces the tuition for every child. Since the cost of educating your student(s) is approximately \$10,000/year and tuition is only \$7,600 (for a single child in kindergarten through 8th grade), fundraisers are necessary to help bridge the gap. Read below for our fundraisers of choice this school year:

Fundraiser	Date	Minimum Amount (per family)
 Walk-A-Thon	October 10th	\$100 per family
 Split-The-Pot Raffle	Drawing Dec 12th	\$125 (25 tickets \$5 each)
 Two Gala Tickets	March 21, 2026	\$180 total

Formerly known as Annual Auction

This year, families may raise additional funds that surpass the minimum amount per family through these initiatives and share the profit with the school: half to their own child's tuition reduction and half to the operation of the school.

I have reviewed the information regarding the mandatory fundraisers for the 2025-2026 school year at St. Philip Lutheran School. **Please return with mandatory school forms.**
